

IT'S IN OUR HANDS

MAKE YOURSELF COUNT!

Everyone Counts in Carbon County for the 2010 Census. In March of 2010 every household will receive a census form. When you complete and mail in your form you will help your community. Census results will ensure that Carbon County is fully represented in the U.S. Congress and that we get our fair share of federal dollars. Census 2010 is safe, it's confidential, it's simple and it's important. Complete your 2010 census form and make yourself count.
