The purpose of the hearing shall be to confirm or deny the existence of a public nuisance and for taking such further action as is authorized under this chapter. Notice of the time, place and hour of the hearing shall be sent at least ten days in advance of the hearing to the requesting parties and the city attorney.
- D. As such hearing, all parties and the city shall be afforded an opportunity to present evidence, to cross-examine and present argument; provided that all persons testifying shall be sworn; irrelevant, immaterial or unduly repetitious evidence shall be excluded; and the decision of the municipal judge or hearing examiner shall be based upon the type of evidence commonly relied upon by reasonably prudent people in the conduct of their serious affairs.
